16. Correspondence

16.1 Staffordshire County Council

Highways Grass Cutting - Information regarding Parish Council Agreements

The following email was received at 21 December 2018 from SCC's Community Infrastructure Manager:

"Further to my letter dated 29 October 2018 I am writing to make you aware that the County Council will now be delaying the savings identified for grass cutting services in 2019/20 until the following year.

Please accept my apologies for being unable to share information about the service review at an earlier stage. I wanted to quickly make you aware of the change in timescales but will be in touch in the near future to discuss the way forward."

16.2 Issues raised by a resident

The following email was received from a resident on 21 December 2018:

"I would like to point out some items around the village that need addressing.

- 1. The broken concrete post on Burnside.
- 2. The numerous blocked gullies along Church Road, which when it rains causes excess water to flow ever onwards to a Gully that isn't blocked.
- 3. Marston Lane (rural) 2 x blocked drains on either side, which after just a shower, make Marston Lane impassable on foot.
- 4. The pavement on the Lawns/Brook Hollows tree roots are making the pavement VERY uneven and quite dangerous.
- 5. The installation of a convex mirror opposite Fiddlers Lane. I blind spot, not only to funeral cars and cemetery visitors, but on foot it really is dangerous.

Nearly all these items I have in the past tried to urge the council to take action. Apart from job numbers and empty promises NOTHING has been done. I am hoping, in the new year the parish council can really start to get things done."

- 17. List of ongoing items (deferred from the previous meeting) (Enclosure No. 4)
- 18. Exclusion of the press and public

Chair to move:

That under the Public Bodies (Admissions to Meetings) Act 1960 (Section 2) (and as expended by Section 100 of the Local Government Act 1972), the press and public be excluded from the meeting for the following items of business on the grounds that they involve the likely disclosure of exempt information.

19. Expenditure on property level flood resilience (Enclosures No. 5A and 5B – circulated to Councillors only)
