

NEIGHBOURHOOD DEVELOPMENT PLAN

The Neighbourhood Development plan continues to progress. Following the Regulation 16 process where ESBC consulted with all parties the plan was submitted to an independent examiner who has now responded with his initial comments and observations. These will be responded to in the next few weeks following which we will receive his final report. This should still allow us to go to the village referendum in the Autumn.

ROLLESTONIAN OF THE YEAR

We were pleased to award John Morris with the Rollestonian of Year Award. John instigated and ran the Rolleston Transport Festival for 10 years. He has now handed over the reins. ENVIRONMENT COMMITTEE

The parish council would like to engage with as broad a group of villagers and village organisations as possible in creating a new Environment Committee.

The Environment Committee will be seeking to identify, prioritise, implement and monitor all aspects of the environment around the village, including coordinating our Best Kept Village entry. Areas such as children's play areas, green spaces, footpaths and stiles, Brook Hollows and many more will all form part of the remit.

The Environment Committee will not simply be an extension of the parish council. We are looking for a broad range of contributions from ideas of things to address through to forming working groups to address them. Would you like to 'look after' an area of the village, for example by taking responsibility for reporting issues or even taking on the litter picking?

All contributions, whether brain power or brawn are welcome. To find out more and to help set the format for these going forward there will be two introductory meetings in the Old Grammar School on Monday 12th August at 7.30pm and Monday 2nd September at 7.30pm.
