

PARISH COUNCIL MEETINGS

Meetings start at 7.30pm (currently via Zoom) and are open to the Public.

The agenda for each meeting can be found on the PC's website and Facebook page and on noticeboards during the week before the meeting is held.

Should you wish to ask the PC any questions or raise any points with us, 15 minutes at the beginning of each meeting are set aside for you to do so.

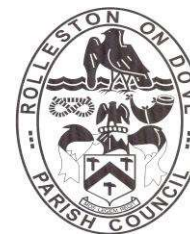

DATES FOR YOUR DIARY

Monday 9th November – Parish Council meeting
Monday 14th December – Parish Council meeting
Monday 11th January – Parish Council meeting
Monday 8th February – Parish Council meeting

MEETINGS

The Parish Council continues to meet virtually via Zoom. The meetings are still at the same times, 7.30pm on the second Monday of every month, and although they will never feel the same it does allow business to be conducted and keep some things moving forward.

PLANNING

Planning matters continue to be considered at the virtual Parish Council meetings. We are still awaiting news about when the Neighbourhood Development Plan may be allowed to progress to completion.

TAFFLANDS

Work will shortly be starting on the replacement of the mound and slide that has been deteriorating for a number of years. It is hoped that this will be completed before Winter. We are also hopeful that before too long we will see the new play tractor installed. Work is

almost complete – a huge thanks to TREATS who have conducted this work, despite being hit by COVID-19 delays.

FOOTPATHS

Since the last edition we have been able to complete the replacement and repair of many of the stiles around the village. These now offer much more robust and secure crossing points as well as in many places, protection against the winter weather. A new website has also been launched showing a range of walks in Rolleston and the surrounding area – please visit <http://rollestonondovelocalwalks.co.uk> for further details.

BROOK HOLLOW

The work on Brook Hollows has also been further delayed but we are hopeful that contractors will shortly be appointed and work will be combined with recommendations from the Environment Agency to both regenerate the area and help to alleviate future flooding.

CLEAN-UP DAYS

Sadly, clean-up days have been a victim of the Government restrictions, however, a small group were able to get out and make a huge difference to the entrance to the village from Stretton. Thanks to all those involved.
